

CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D.C. 20505

OLC 76-1888/a

7 JUL 1976

Mr. James M. Frey
Assistant Director for Legislative Reference
Office of Management and Budget
Washington, D. C. 20503

Dear Mr. Frey:

This is in response to your request for this Agency's views and recommendations on Enrolled Bill H.R. 12438, the Department of Defense Appropriation Authorization Act, 1977.

The only item of direct interest to this Agency is Section 801 of the Enrolled Bill which repeals the so-called 1 per centum add-on provision of annuities paid under the Central Intelligence Agency Retirement Act of 1964 for Certain Employees (78 Stat. 1043; 50 U.S.C. 403 note). Section 801 reflects this Agency's understanding that said repeal of the "1 percent kicker" becomes effective only on repeal of such provision under Chapter 83 of Title 5, United States Code, affecting Civil Service annuitants, and is supported by this Agency.

Sincerely,

SIGNED

George Bush
Director
